

## Whatcha Gonna Do About It

Sex Pistols

I want you to know that I hate you, baby  
want you to know I don't care  
so happy when you're not 'round me  
I'm glad when you're not there

what'cha gonna do about it

I want you to give me your sweet sweet kisses  
want you to hold me tight  
I want you to come whenever I call you  
and let me walk you home at night

what'cha gonna do about it
