

# Roads Of Thunder

Shadow Gallery

Are your deeds so really bad?  
Your secret life untold  
Please tell me  
Just try me  
But you say goodnight and shut me down until tomorrow  
When you come to life again  
And reveal just maybe  
What's going on inside of you  
The real you

Strange feeling  
Right now I want to look you in the eyes  
And tell you how I feel

I've lived the life of a lonely man  
And I've traveled roads of thunder  
Calling out to Heaven  
Send your rain on down  
Time has come to make my move  
I want to join with you  
I'm not powerless tonight

I'm tired of silent conversations  
With a mystery  
It's so strange  
We both know  
We've grown so close  
It's like you're mine and I am yours  
And that's where things go wrong  
You're not meant to be invisible  
Please speak to me with spoken words  
And prove you're real

I never knew that I could feel with such conviction  
And I just don't understand what separates our world

I've lived the life of a lonely man  
And I've traveled roads of thunder  
Calling out to Heaven  
Send your rain on down  
Time has come to make my move  
I want to join with you  
I'm not powerless tonight  
What if I cross the line  
And I show you I mean business  
Prove that we're alike  
And send some rain on down?  
Seems to me in these busy days  
It's not just what you say  
You gotta turn it back on them and fight!

I feel my life turning pages at the mercy of the wind

There it is now  
The course for me to take  
Embed a virus in the system  
Send their money flying to the ground

Financially restrained  
The network down in flames  
It's gonna take all that I know  
But in the end they'll be mourning  
Their system as it bleeds and dies

I've lived the life of a lonely man  
Now there's no more time for waiting  
What I've gone and done  
I sent the rain on down  
What happens next is now up to you  
You gotta make a move  
Don't leave me powerless tonight  
I really mean it we've got to talk  
This is something you believe in  
Calling out to Heaven  
Send your line on down  
Now you know that I'm on my own  
I'm waiting by the phone  
You're not powerless tonight
