

## Room V

### Shadow Gallery

Not long ago a plan was conceived where all could be revealed  
Critical info delivered in secret, but kept out in plain sight

We're underground 'cause we have enlisted  
Got data in our groove, a battalion of six  
Inside out it's all for one and one for all

Here we are, we're the band, we got your marching orders  
It's in the music and the words that we sing  
Sing along, sing out loud, and you'll join the answer  
We will rock with the thunder of a thousand mighty horses

Beijing to New York City and everywhere between  
Lies the heart of the good, the will of the people  
Now shake your cages, shake your cages  
It's time to fight or die, deliver us from evil  
All around the world, you're not alone, we'll be right here  
And coming to your home from Room V

Here we are, we're the band, we got your marching orders  
It's in the music and the words that we sing  
Sing along, sing out loud, and you'll join the answer  
We will rock with the thunder of a thousand mighty horses
