Girl, you're my angel, you're my darling angel Closer than my peeps you are to me, baby Shorty, you're my angel, you're my darling angel Girl, you're my friend when I'm in need, lady

Life is one big party when you're still young But who's gonna have your back when it's all done It's all good when you're little, you have pure fun Can't be a fool, son, what about the long run?

Looking back Shorty always mention Said me not giving her much attention She was there through my incarceration I wanna show the nation my appreciation

You're a queen and so you should be treated Though you never get the lovin' that you needed Could have left, but I called and you heeded Takin' a beatin', mission completed

Mama said that I and I dissed the program

Not the type to mess around with your emotion

But the feeling that I have for you is so strong

Been together so long and this could never be wrong

Girl, you're my angel, you're my darling angel Closer than my peeps you are to me, baby Shorty, you're my angel, you're my darling angel Girl, you're my friend when I'm in need, lady

Girl, in spite of my behavior, said I'm your savior (You must be sent from up above)

And you appear to me so tender, say girl I surrender (Thanks for giving me your love)
