Gee wheeze baby please

Let me take you to an island of the sweet cool breeze You don't fell like drive baby hand me the keys And I'll take you to a place to set your mind at ease Don't you tickle my foot bottom ha ha baby please Don't you play with my nose I might ha chum sneeze Well you a the bun and me a the cheese And if me a the rice well you a the peas

Give me your loving gal your loving well good
I want your loving gal give it like you should
Give me your loving gal your loving well good
I want your loving gal you remember the woo
Would like to kiss and carress
Rub down every strand of hair on my chest
I'm Boombastic rated as the best
The best you should get nothing more nothing less
Give me your digits jot down your address
I'll bet you confess when you put me to the test
That I'm

Gal your admiration if a tick me from the start
With your physical attraction gal you know to feel the spark
A man of few word naw go tell you no sweet talk
Naw go laba laba and a chat pure phart
I'll get straight to the point like a arrow or a dart
Come lay down in my jacuzzi and get some bubble bath
Only sound you will here is the beating of my heart

And we will mmm mmm (kiss) and have some sweet pillow talk $\ensuremath{\text{I'm}}$
