

# Feeling Alive

Shaggy

I'll be loving loving  
mister lover come again  
I really really love the song  
I really feel good inside  
And I'm feelin ahhh

Woke up and it's a beautiful morning  
And I'm gonna do my thing  
I roll on kiss on em darling  
Your thanks for the joy she brings  
I got so much more to live for  
And so much to be explored  
Yeah I'm living in the moment baby  
And that I can say for sure

So push you runnin on the way you wanna feelin  
So would you feel the on the ceiling  
just stop believing  
Tell me what the deal is, oh yeah

I really really love the sky  
I really feel good inside  
And I'm feelin ahhh  
I really wanna touch the sky  
I'm feelin so good inside  
And I'm feeling ahh  
Ohh ooh ooh ooh ooh

Some people gotta go laughing to music  
They don't know and they never been poor  
You never know what you got till you lose it baby  
And I bet you can get no more  
Girl it ain't nobody promise tomorrow  
So I'm living for today  
Hey I'm sharing all my sorrows baby  
So I can live a brand new day

So push you runnin on the way you wanna feelin  
So would you feel the on the ceiling  
just stop believing  
Tell me what the deal is, oh yeah

I really really love the sky  
I really feel good inside  
And I'm feelin ahhh  
I really wanna touch the sky  
I'm feelin so good inside  
And I'm feeling ahh  
Ohh ooh ooh ooh ooh

I really really  
I just so your positive attitude will take you far  
I don't give enough  
But don't listen

I really really love the sky  
I really feel good inside

And I'm feelin ahhh  
I really wanna touch the sky  
I'm feelin so good inside  
And I'm feeling ahh  
Ohh ooh ooh ooh ooh
