

Give Thanks

Shaggy

Give thanks

Ah

Show us some blessings

Give thanks

Whats up

Give thanks for let another day (bye)

As i come down on my knees i am great

Let me father for let another day (bye bye)

I know hes hearing every word i say

So giving thanks for let another day (bye)

As i come down on my knees i am great

Let me father for let another day (bye bye)

I know hes hearing every word i say

Woman getting your attention

Cause i really think its time for me to mention

You should know that i am not going with your intention

Let me help you while you seeko to redention

Checking there a take a look in every section

Are you proud of what you see in the reflection

Get instead of i have been feet you so rejection

Dont you see the father bless you with protection

Thats why i am leaving..

Woman you know its easy to the cine gal

But i dont mean to come across its critical

No need to let your anger to the physical

Cause i dont feel like singing at your funeral

My love is like a brother unconditional

I am opened at this reason me transitional

They only where you wana reach your peni gal

The father is the source of the original

Thats why i am leaving...
