

# What's Love

Shaggy

Akon and Shaggy, ooh yeah  
Love ain't got nothin' to do with it  
Come on now

Me waan fi leave you long time  
Nuff man a search for your sign  
She say she love me till the end of time  
But that a not really have pon me mind

Me waan fi leave you long time  
Yuh know enuff a man search fi your sign  
She say she love me till the end of time  
But that a not really have pon me mind

What's love gotta do with it  
Gotta do with it, gotta do with it  
What's love gotta do with it  
Gotta do with it, gotta do with it  
What's love

That's it, can't take no more  
I'm leavin', got one foot through the door  
(But I love you)  
I had my doubts before  
I thought it through, now I'm gone for sure  
(But I love you)

Can't let you tie me down  
I wanna have fun and mess around  
(But I love you)  
I gotta stand my ground  
Though you're the best thing I found

What's love gotta do with it  
Gotta do with it, gotta do with it  
What's love gotta do with it  
Gotta do with it, gotta do with it  
What's love

I hope for goodness sake  
That you would just cheat, make some mistake  
(But I love you)  
So perfect, wouldn't break  
You gave me no reason to escape  
(But I love)

Won't hide, I got skirts to chase  
Don't wanna be thrownin' it in your face  
(But I love)  
I pray for God some days  
We fight and go our separate ways

What's love gotta do with it  
Gotta do with it, gotta do with it  
What's love gotta do with it  
Gotta do with it, gotta do with it  
What's love

Me waan fi leave you long time  
Enuff of man a search for your sign  
Say that she love me till the end of time  
But a that not really have pon me mind

Me waan fi leave you long time  
Enuff of men a them search for your sign  
Say that she love me till the end of time  
But that I not really have pon me mind

What's love gotta do with it  
Gotta do with it, gotta do with it  
What's love gotta do with it  
Gotta do with it, gotta do with it  
What's love

What's love gotta do with it  
Gotta do with it, gotta do with it  
What's love gotta do with it  
Gotta do with it, gotta do with it  
What's love
