

## Come With Me

Shai

I got a call. A telephone call today.  
Somebody's offering a job a thousand miles away,  
And I want to take it, its the opportunity of a life time,  
But I need a second opinion, an opinion other than mine.

So I, I'm turning to you,  
Because you always seem to know what to do.  
When times like these arrive, I call,  
On my only true friend in the world, my girl.

So I, I want to know,  
Should I really, really go,  
And if so, are you coming with me?  
I, I got to know,  
If you really want me to go,  
And if so, come with me.

I never wanted anything as much as I want you with me.  
You were the one who said to follow my dreams,  
Of having a house, a car, a view of the stars, and a beautiful  
wife,  
So I need someone I can go with,  
I need some love in my life.

So I, I'm turning to you,  
Because you always seem to know what to do.  
When times like these arrive, I call,  
On the only real love of my life, you are my life.

I want to know,  
Should I really, really go,  
And if so, are you coming with me?  
So I, I got to know,  
If you really want me to go,  
And if so, come with me.

I need you to come with me
