

Falling

Shai

Falling
Falling for you
Falling
Falling for you

Here we are together
Doing what lovers do
I know what I feel
I can't explain what you do to me
All I know is I want you
So I'll
Take you in my arms
And show you all my love

As my temperature rises
I hope you feel the same
As when I make love to you
I need you more and more
That's why I'm

Falling
Falling for you
Falling
Falling for you

Day and night
I think about
The kind of love
We seem to share
Pressing your body
Keeping you warm
All the time
And I can't get
You off my mind...

When I
Take you in my arms
And show you all my love
I'll do anything
You want me to
O girl
And when I make love
To you
When I give my love to you
I need you more and more
All I know is I need you
So I'm

Falling
Falling for you
Falling
Falling for you

I've been thinking about us a lot, the past few days
And I feel like there's no better time than the present
