

The Place Where You Belong

Shai

This is the place where you belong
Right here in my arms
Without you something is wrong

Misery, such a fool to let you walk away from me
Now it seems there's just nobody there for me
Girl I'm in agony, for you, oh

Gone without a trace
Never knew that love was such a lonely place
Damn I need your lovin' just to feel this space
I'm in so much pain without you, oh

You left me here alone
Why don't you come back home to me, oh
Everybody help me sing now

This is the place where you belong
Right here in my arms
Without you something is wrong

Waiting for your call
Can't help thinkin' that this mess is all my fault
And just to have you back I swear I'd risk it all
My every thought is of you

Girl I'm on my knees
Begging for forgiveness and your sympathy
But most of all my love I miss your company
The only thing I need is you

I need you back my friend
So I can live again, come back home
Everybody help me sing it

This is the place where you belong
Right here in my arms
Without you something is wrong

This is the place where you belong
Right here in my arms
Without you something is wrong

You belong in my arms
You belong, you belong in my arms
You belong, you belong in my arms
You belong, you belong in my arms

You belong, you belong in my arms
You belong, you belong in my arms
You belong, you belong in my arms

This is the place where you belong
Right here in my arms
Without you something is wrong

This is the place where you belong

Right here in my arms
Without you something is wrong
