

Alak'Okan

Shaka Ponk

Boom into my head,
Boom into my body dead
What da hell am I doing on my ass?
Coma coma hey, come my friend as dead as mey
Watch your face in a table glass!
Snakes everywhere white snakes and billetes
«Rolling green» like nems on farine (OOH)

Girls and money,
T'was so funny
'Yo mi honey.
All my friends,
Unknown supa friends,
Bands,
Unknown girls,
Unknown men
T'was the "unknown party"
Today I'm Smoke and
I feel my body broken
A poor dry shit again,
That's what I am...

Dancing like a ouistiti,
Whisky with my friend E.T

Chica chimpanzee, twas a monkey party
Today I'm Smoke and I feel my body broken
A poor dry shit again, that's what I am...
