

# An Eloquent

Shaka Ponk

See my monkey kong  
Ready pretty for a mission diggin' strong  
Yes, I'm an eloquent so "sorry for your loss"  
You're a sinner sister carrying her cross  
It's not so elegant

I'm pretty tied up, pretty tied up  
Don't you wanna pretty lick it up, pretty lick it up

You seem like such a bomb  
I'm moking smoking weed, good lookin' smoking hot  
You're kind of in a rough spot  
Be my silly cone  
I'm not gonna let up 'till you cry and grab my bone  
Yes I'm an eloquent

I'm pretty tied up, pretty tied up  
Don't you wanna pretty lick it up, pretty lick it up  
I'm a clown

And you're a little cunt  
Yes I'm an eloquent  
I'm talking off my pants  
And it says "Hello you!"  
I writing you this song  
I hope you like it cause  
I'm pretty tied up, pretty tied up  
Don't you wanna pretty lick it up, pretty lick it up  
I'm an eloquent

Some papz are smoking hot  
Some papz are cheating on maz with the Sunday's slut  
I've got an elephant  
They don't wanna grow old  
Dad is a penis gland cause dad is gettin bald  
Is it so relevant?

I'm pretty tied up, pretty tied up  
Don't you wanna pretty lick it up, pretty lick it up  
I'm a clown

And you're a little cunt  
Yes I'm an eloquent  
I'm talking off my pants  
And it says "Hello you!"  
I writing you this song  
I hope you like it cause  
I'm pretty tied up, pretty tied up  
Don't you wanna pretty lick it up, pretty lick it up  
I'm an eloquent

And you're a little cunt
