

Fonk Me

Shaka Ponk

Somebody came into my house,
And now I see him walking,
That somebody gets so high,
I think I hear him talking,

Fonk Me!

Somebody came into my house,
And now I see him walking,
That somebody gets so high,
I think I hear him talking,

Fonk Me!

Let me introduce myself,
Nice to meet you mister dance,
And if you wanna make me fly,
Let me know in a good time,
So you came all alone,
Nice to know you mister gone,
And if you wanna blow my mind,
Let me know in a good time,

Fonk Me!

Somebody came into my house,
And now I see him walking,
That somebody gets so high,
I think I hear him talking, x2

Fonk Me!
