

## Fonk Me

Shaka Ponk

Somebody came into my house,  
And now I see him walking,  
That somebody gets so high,  
I think I hear him talking,

Fonk Me!

Somebody came into my house,  
And now I see him walking,  
That somebody gets so high,  
I think I hear him talking,

Fonk Me!

Let me introduce myself,  
Nice to meet you mister dance,  
And if you wanna make me fly,  
Let me know in a good time,  
So you came all alone,  
Nice to know you mister gone,  
And if you wanna blow my mind,  
Let me know in a good time,

Fonk Me!

Somebody came into my house,  
And now I see him walking,  
That somebody gets so high,  
I think I hear him talking, x2

Fonk Me!
