

## Just a Nerd

Shaka Ponk

What's wrong in your mind  
There is no mo' u and I since you saw the otha guy  
You know, men are weak, since you met the otha freak,  
There s no mo' me!

Don't ge me wrong, don't make me lie  
I'm in powa-meditation cause I donwanna go down  
Don't make me cry  
You're a supa-contradiction, I'm just typical nerd...  
...a common bird  
I don't know what to do with u (story o' my life)  
Oh girls, love loco worlds,  
Story of my life I said, I'm a number two...

...but that' all right, I ain't gonna die  
I'm in powa-meditation cause I donwanna go down  
Don't make me cry!  
Your in supa-exposition, me I'm just alone but it's all right.
