

Mad o you

Shaka Ponk

I never meant to turn you inside out Don't you know it's true, you gotta know it's true
I didn't want to make a nega- karma too
Is it bad whatado ? am I mala into ?
It's only love making me mad o' u girl
Is « wasted love » a grazy sickness in this world ?
Is it bad wata feel ? is it bad wata feel ?
'am I gonna get killed ? am I gonna get killed ?
I celebrated every masta voodoo
Don't you know it's true, you gotta know it's true
I meditated on every Buddah sign to make wisdom mine , oh making wisdom mine
It's only love making me mad o' u girl
Is wasted love a grazy sickness in this world ?
Is bad watado ? is bad watado ?
'am I evil into ? am I evil into ?
You wanna sex me o' what ? ' wanna possess me of what ?
You wanna bang me o' what ? ' wanna possess me but ...
...watch out da karma coma guy, You wanna be a bee and dry da tear in my eye and play da pistolero ?
