

Watch Ha

Shaka Ponk

A pogo con a bimbo in the backseat of a blanco limo
I don't really wanna know her name
I feel like a superman, popa buya's gonna 'ken
I've got a booty shakin' in my hands
She makes me feel so fine
She ping da pong in my mind
What a litta picaRRRRRRa, "AH wish my mama watch'ha"
She's the night club queen
Solo sliding in 19
It's a kind o' dreama
I wish you could watch'ha
