

## Could You Be Loved

Shakespears Sister

Could you be loved and be loved  
Could you be loved and be loved  
Don't let them fool you  
Or even try to school you, oh! no  
We've got a mind of our own  
So go to hell if what you're thinking  
Is not right  
Love would never leave us alone  
In the darkness there must come out to light  
Could you be loved and be loved  
Could you be loved and be loved  
The road of life is rocky  
And you may stumble too  
So while you point your fingers  
Someone else is judging you  
Could you be, could you be,  
Could you be loved  
Could you be, could you be loved  
Don't let them change you  
Or even rearrange you, oh! no  
We've got a life to live  
They say only, only  
Only the fittest of the fittest shall survive  
Stay alive  
Could you be loved and be loved  
Could you be loved and be loved  
You ain't gonna miss your water  
Until your well runs dry  
No matter how you treat him  
The man will never be satisfied  
Could you be, could you be,  
Could you be loved  
Could you be, could you be loved
