## Heaven is in Your Arms

## **Shakespears Sister**

I remember you back in '83 Singing in the rain In sweet harmony I get so lonely As the pages turn in my history You fade away like a mystery I get so lonely Heaven is in your arms dear Heaven is in your arms dear I will never let you go I will never let you go Heaven is in your arms dear Heaven is where you are I will never leave you I will never let you go If you never come back into my life I'll cut these strings with a golden knife I won't be lonely, I won't be lonely I'll steal your body from the hall of fame So the U.S.A. will know my name I get so lonely, I get so lonely Heaven is in your arms dear Heaven is in your arms dear I will never let you go I will never let you go Heaven is in your arms dear Heaven is where you are I will never leave you I will never let you go I read in this month's Passion magazine Or was I just imagining things? It seemed so real I've got something that you left behind A picture of you in my mind Heaven is in your arms dear Heaven is in your arms dear I will never let you go I will never let you go Heaven is in your arms dear Heaven is where you are I will never leave you I will never let you go
