

Pulsatron

Shakespears Sister

She's so electric
She loves to party
She's so connected
She feels her body

Gonna get it on like a pulsatron
Gonna get it on like a pulsatron
Gonna get it on like a pulsatron
Gonna get it on like a pulsatron

Go to the city
To the sex boutique
She's looking pretty
And she needs relief

Gonna get it on like a pulsatron
Gonna get it on like a pulsatron
Gonna get it on like a pulsatron
Gonna get it on like a pulsatron
(You sinner turn me on)

She's so electric

She's so connected

Gonna get it on like a pulsatron
Gonna get it on like a pulsatron
Gonna get it on like a pulsatron
