

A Love Worth Waiting For

Shakin' Stevens

If you should ever want to be set free
If you're not certain your future lies with me
I'll let you go girl until your heart is sure
It's a love worth waiting for

Now I won't stop you from leaving 'cos I know
The way to keep you would be to let you go
And I'm prepared to wait a thousand years or more
It's a love worth waiting for.

If you should leave me
Oh please remember
In my heart there's a fire
A flame of desire for your charms
I will keep alive this glowing ember
A love that will burn until you're back in my arms

You know my darling I need you here with me
But only to stay because it's where you ought to be
'Cos I'm prepared to wait a thousand years or more
It's a love worth waiting for

In my heart there's a fire
A flame of desire for your charms
A love that will burn until
You're back in my arms

You know my darling I need you here with me
But only to stay because it's where you ought to be
'Cos I'm prepared to wait a thousand years or more
It's a love worth waiting for
