

Baby It's You

Shakin' Stevens

It's not the way you smile that touched my heart.
It's not the way you kiss that tears me apart.

Mmm, oh, many, many nights go by,
I sit alone at home and I cry over you.
What can I do.
Can't help myself, 'cause baby it's you.
Baby it's you.

You should hear what they say, about you,
They say, they say you never, never ever been true.

Mmm, doesn't matter what they say,
I know I'm gonna love you any old way.
What can I do, when it's true.
Don't want nobody, nobody, 'cause baby it's you.
Baby it's you.

It doesn't matter what they say,
I know I'm gonna love you any old way.
What can I do, when it's true.
Don't want nobody, nobody, 'cause baby it's you.
Baby it's you, baby it's you.
Baby it's you, baby it's you.
Don't leave me all alone.
'Cause baby it's you.
