

# I'm Knockin'

Shakin' Stevens

Well I know you want me baby when I knock upon your door.  
Come on over pretty baby I'm not saying this for sure.  
I know you love me baby when I knock upon your door.

I'm knockin' once I'm knockin' twice.  
I'm knock three times baby oh that's nice.

How do you feel baby now I've come close your door.  
Well you look plum tuckered.  
But baby there's more for sure.  
For sure baby

I know you want me baby when I knock upon your door.  
Come on over pretty baby I'm not saying this for sure.  
I know you love me baby when I knock upon your door.

I'm knockin' once I'm knockin' twice.  
I'm knock three times baby oh that's nice

How do you feel baby now I've come close your door.
