

If I Really Knew

Shakin' Stevens

If I really knew
That you really love me
I'll give you my heart
We never part, If I really knew

If i could say
Do you really want me
I'll give you my heart
We never part, If I really knew

But you walked on by
You never showed that you care
You tear me another way
I might as well not be there
You never given me the slightest sign
Perhaps one day your love would be mine

If I had my way
Things could be different
You would be mine
Till the end of time
If I had my way

If I really knew
That you really love me
I'll give you my heart
We never part, If I really knew

If I had my way
Things would be different
You would be mine
Till the end of time
If I had my way

If I could say
If I really knew
If I could say
If I really knew
