

# If You're Gonna Cry

Shakin' Stevens

If you're gonna cry  
Cry over me  
Cry for love  
That want you to be  
But if you're gonna lie  
Don't lie to me  
I won't be a fool again

I was your first love  
It was your last  
Now that he's left you  
Don't look for the past  
Cause that could never be  
That I am gonna dry the tears  
You never cried for me

If you're gonna cry  
Cry over me  
Cry for love  
That want you to be  
But if you're gonna lie  
Don't lie to me  
I won't be a fool again

Don't think I'm still around  
Because he let you down  
Cause that's a dream that won't come true  
There will be no brand new start  
Because he broke your heart  
The way I was broken over you

If you're gonna cry  
Cry over me  
Cry for love  
That want you to be  
But if you're gonna lie  
Don't lie to me  
I won't be a fool again

Don't say your heart is free  
Don't make I'm gonna dry the tears you never cried for me, Ooohh

If you're gonna cry  
Cry over me  
Cry for love  
That want you to be  
But if you're gonna lie  
Don't lie to me  
I won't be a fool again

OoohOoohh

If you're gonna cry  
Cry over me  
Cry for love  
That want you to be  
But if you're gonna lie

Don't lie to me  
I won't be a fool again

SooOooh

If you're gonna cry  
Cry over me  
Cry for love  
That want you to be  
But if you're gonna lie  
Don't lie to me I won't be a fool again

SooOooh

If you're gonna cry  
Cry over me  
Cry for love  
That want you to be  
But if you're gonna lie  
Don't lie to me  
I won't be a fool again
