

Let Me Show You How

Shakin' Stevens

Well, you're gonna boogie woogie and you know it's right
You want to rock'n'roll all through the night
Oooh-ee, baby, ooh-ee baby now
Well, c'mon baby, let me show you how

You wore a clinging dress that fit so tight
You slid up to me and it felt so right
Oooh-ee, baby, ooh-ee baby now
Well, c'mon baby, let me show you how

Now you've got the fever, and you're feelin' hot
You want to give a lot of what you've got
Oooh-ee, baby, ooh-ee baby now
Well, c'mon baby, let me show you how

You wore a clinging dress that fit so tight
You slid up to me and it felt so right
Oooh-ee, baby, ooh-ee baby now
Well, c'mon baby, let me show you how
Well, c'mon baby, let me show you how
