

# Livin' Lovin' Wreck

Shakin' Stevens

When ya kiss me  
Can ya see  
What you kissin'  
Done to me  
Baby I'm a livin' lovin' wreck

Can ya tell  
By the way I walk  
Can ya hear it now  
In my talk  
Baby yeah, I'm a livin' lovin' wreck

Oh yeah  
Can't make head nor tails or anything  
All I seem to hear  
Is bells and booties sing

Although I don't feel no pain  
Something's happened to me  
Just the same  
I say baby yeah  
I'm a livin' lovin' wreck  
(Help me now)

When ya kiss me  
Can ya see  
What you kissin'  
Done to me  
Baby I'm a livin' lovin' wreck

Can ya tell  
By the way I walk  
Can ya hear it now  
In my talk  
Baby yeah, I'm a livin' lovin' wreck

Oh yeah the doctor said  
He could not help my case yeah  
Then said he wished  
He'd rather have it here in my place

Although I don't feel no pain  
Something's happened to me  
Just the same  
I say baby yeah  
I'm a livin' lovin' wreck  
(Help me now)

I'm a livin' lovin' wreck  
I'm a livin' lovin' wreck  
I'm a livin' lovin' wreck
