

Love Me Tonight

Shakin' Stevens

I love you but you don't love me.
Cause you're the only one I need.
It's such a night.
And the air is warm.
Ooh let's start a storm.

Baby tonight love me tonight.
Baby tonight love me tonight.

Why do you play this helpless game.
I know you're not the one to blame.
C'mon by and give it a try.
I know we'll reach the sky.

Baby tonight love me tonight.
Baby tonight love me tonight.

Did you get the letter I sent you.
Did you read it line by line.
You know baby I love you.
I wanna make you mine all mine.

It's such a shame, it's plain to see.
You wanna breathe so tenderly.
You got the sting.
You got the fire.
Oooh let's turn out the light.

Baby tonight love me tonight.
Baby tonight c'mon love me tonight
tonight tonight.

Baby tonight love me tonight.
Baby tonight love me tonight.

Did you get the letter I sent you.
Did you read it line by line.
You know baby I love you.
I wanna make you mine all mine.

It's such a shame it's plain to see.
You wanna breathe so tenderly.
You got the sting.
You got the fire.
Oooh let's turn out the light.

Baby tonight love me tonight.
Baby tonight love me tonight.
C'mon love me tonight.
Be my baby tonight.
Ooh love me tonight.
And be my baby tonight.
Ooh love me tonight...
