

Love You Out Loud

Shakin' Stevens

I wanna love you in the street.
I don't wanna be descreate.
I wanna kiss you in a crowd.
But I don' t think that's allowed.
Nobody knows just how I feel.
Nobody knows our love is real.
I wanna show the world I'm proud.
I wanna love you out loud.

Do wanna whisper in your ear.
I want the whole world to hear.
I wanna show that, yeah, I'm proud.
I wanna love you wanna love you.
Wanna love you out loud.

I Wanna love you in the street.
I don't wanna be descreate.
I wanna kiss you in a crowd.
But I don' t think that's allowed.

I Wanna love you in the street.
I don't wanna be descreate.
I wanna kiss you in a crowd.
But I don' t think that's allowed.
Nobody knows just how I feel.
Nobody knows our love is real.
I wanna show the world I'm proud.
I wanna love you out loud.

Do wanna whisper in your ear.
I want the whole world to hear.
I wanna show that, yeah, I'm proud.
I wanna love you, wanna love you.
Wanna love you out loud.

I don't wanna be descreate.
I wanna kiss you in a crowd.
But I don' t think that's allowed.
Nobody knows just how I feel.
Nobody knows our love is real.
I wanna show the world I'm proud.
I wanna love you out loud.

Nobody knows just how I feel.
Nobody knows our love is real.
I wanna show the world I'm proud.
I wanna love you out loud.
