

My Cutie Cutie

Shakin' Stevens

I've got a girl I just love her so.
More and more you gotta see her rock n roll.
Well she's my cutie cutie.
Well she's my cutie cutie.
My cutie cutie is a real fine talking doll.

Well lips are like cherries kisses like wine.
When we touch she drives me crazy every time.
My cutie cutie well.
It's my cutie cutie.
My cutie cutie is a real fine talking doll.

Well and when we rock yeah and we roll.
Well my heart goes flippity flippity flop.
Well I'm in love I'm in love.
And I just can't stop.

My cutie cutie don't need powder or paint.
She's like my heaven must be a saint.
Well its my cutie cutie.
Well it's my cutie cutie.
My cutie cutie is a real fine talking doll.

Well and when we rock yeah and we roll.
Well my heart goes flippity flippity flop.
Well I'm in love I'm in love.
And I just can't stop.

My cutie cutie don't need powder or paint.
She's like my heaven must be a saint.
Well its my cutie cutie.
Well it's my cutie cutie.
My cutie cutie is a real fine talking doll.
Well my cutie cutie is a real fine talking doll.
Well my cutie cutie is a real fine talking doll.
