

No Other Baby

Shakin' Stevens

I don't want no other baby but you,
I don't want no other baby but you,
Ain't no other baby thrill me like you do

Lot's of other woman say be my daddy too
Lot's of other woman say be my daddy too
I don't want no other baby but you

Got a pretty momma living just along the hall
Got a little momma living just along the hall
Every evening she asks me to call

(instrumental)

If you really love me then baby won't you hear my plea
If you really love me then baby won't you hear my plea
If you really love me then come on back to me

I don't want no other baby but you,
I don't want no other baby but you,
Ain't no other baby thrills me like you do
I don't want no other baby but you,
I don't want no other baby but you,
Ain't no other baby thrills me like you do
