

Pink Champagne

Shakin' Stevens

Your kisses are pink champagne.
You bubble up.
And then we kiss again.
Ooh when we kiss.
Just like pink champagne.
That sounds special.
Your kiss will remain.

But don't you know.
You're the only one for me.
Without your love.
Where would I be.
Good things don't come back easily.
But our love came.
So naturally.

Your kisses are pink champagne.
You bubble up.
And then we kiss again
Ooh when we kiss.
Just like pink champagne.
That sounds special.
Your kiss will remain.

You have the power to.
Drive me insane.
One kiss from you.
While the taste remains.
You popped my cork up energy.
But I love you.
And baby you love me.

Your kisses are pink champagne.
You bubble up.
And then we kiss again.
Ooh when we kiss.
Just like pink champagne.
That sounds special.
Your kiss will remain

Your kisses are pink champagne.
You bubble up.
And then we kiss again.
Ooh when we kiss.
Just like pink champagne...
