

# Revenue Man

Shakin' Stevens

Well I was sent to a place  
Down in North Carolina  
To check up on a moonshine still  
But when I got there to my surprise  
I could see a little light on the hill  
Well the fire was a-glowin'  
Already I was know  
That I was really hot on the track  
But the NVC said it couldn't be me  
Yeah I'll be the one to bring it back

Cause I'm a revenue man, yes a revenue man  
I got a badge on my pocket and a gun on my hip  
I find moonshiners and I never make a slip  
I'm a revenue man, I'll get 'em if I can

Well the moon was shinin' tonight  
When I looked down the river  
I noticed on the side of the hill  
I could see a red light  
Glowin' really bright  
I knew it had to be a still  
Yeah people down the road  
Said it wasn't far  
But you oughta know someone  
Cause when the moonshiners knew  
That I carry a star  
I bet my bottom dollar  
That I'll have 'em on the run

Cause I'm a revenue man, yes a revenue man  
I got a badge on my pocket and a gun on my hip  
I find moonshiners and I never make a slip  
I'm a revenue man, I'll get 'em if I can
