

# Rock 'n' Roll Singer

Shakin' Stevens

Well once upon a time it was a sinner crime  
To be a rock'n'roll singer.  
You were a long time user, a music abuser  
If you we're an all in all singer.

You we're the thug with the bug drinkin'out the jug  
Just a J.D man  
Just a country boy, a music star  
The current high caller.

But everybody's a rock'n'roll singer today  
You're the hip flask ringer, be hot man to know  
A rock'n'roll singer today.

(solo)

Yeah Manfred Mann has a rock'n'roll band  
John Mayall can really wail  
And little Elton John is really gone  
Well superstars all classic rock  
Tryin' very hard to shock  
Be the first head on your block  
They write songs all double pie  
They all livin' a lie  
S word on a purple sky

But everybody's a rock'n'roll singer today  
You're the hip flask ringer, be hot man to know  
A rock'n'roll singer today  
I said you're the hip flask ringer, be hot man to know  
A rock'n'roll singer today
