Shakin' Stevens

Sapphire!
What in the world is wrong with you.
You didn't get home till half past two.
Sapphire!
You're always kickin' up another fuss.
Pack your bags and catch a greyhound buss.
Sapphire!
How come you treat me like you do do do.
I'm feelin' so bad I don't know what to do.

Well you tole me you saw sick in bed.
Yeah I checked up on your story.
But you were with some other guy instead.
Sapphire!
I'm gonna find myself another chick.
Cause what you did was an awful trick.
Sapphire!
Why do you treat me like a newborn fool?
You never do right by the golden rule.
Sapphire!
All you can do is ball the jack.
But you better be gone when I get back.

I said bye bye bye bye bye!
