

# Somewhere In The Night

Shakin' Stevens

Somewhere in the night.  
Somewhere in the dark out there.  
Hidden out of sight.  
Feeling like nobody cares.  
It's a heart that used to be.  
Happy just to be with me.  
But now it's broken.  
Out there somewhere in the night.

Not so long ago.  
When our love was carved in stone.  
We didn't even know.  
What it meant to be alone.  
And those eyes that used to shine.  
With a love that I knew was mine.  
But now they're crying.  
Out there somewhere in the night.

It's not the way this story.  
Supposed to end.  
I want to say:  
Let's turn the pages back and start again.  
If there's a way, to make it turn out right.  
I know I'll only find it out there.  
Out there somewhere in the night.  
Somewhere in the night.  
Out there!

Deep inside my heart.  
I know it's gonna be alright.  
We shouldn't be apart.  
Just because of one little fight.  
Was a bad day now and then.  
To a heartache that never ends.  
That leaves us always out.  
There somewhere in the night.

It's not the way this story.  
Supposed to end.  
I want to say:  
Let's turn the pages back and start again.  
If there's a way to make it turn out right.  
I know I'll only find it out there.  
Out there somewhere in the night.

Somewhere in the night.  
Somewhere in the night.  
Somewhere in the night.  
Somewhere in the night.  
Somewhere in the night.  
Somewhere in the night.  
Somewhere in the night.
