

Teardrops

Shakin' Stevens

Teardrops will fall because of you
Teardrops will fall for only you
I want you so, oh you'll never know
How much I need you

Teardrops will fall if you don't need me
Teardrops will fall, oh please believe me
I want you so, oh you'll never know
How much I need you

As long as there's a moon above
There will be the two of us
If you and I were meant to be
Tell me you love me and I'll be your only

Teardrops will fall don't run and hide
Teardrops will fall stay by my side
I want you so, oh you'll never know
How much I need you

As long as there's a moon above
There will be the two of us
If you and I were meant to be
Tell me you love me and I'll be your only

Teardrops will fall don't run and hide
Teardrops will fall stay by my side
I want you so, oh you'll never know
How much I need you

Teardrops (will fall), oh teardrops (will fall)
Oh yeah, teardrops (will fall), teardrops (will fall)
Teardrops, teardrops (will fall), teardrops (will fall)
