

# Teardrops

Shakin' Stevens

Teardrops will fall because of you  
Teardrops will fall for only you  
I want you so, oh you'll never know  
How much I need you

Teardrops will fall if you don't need me  
Teardrops will fall, oh please believe me  
I want you so, oh you'll never know  
How much I need you

As long as there's a moon above  
There will be the two of us  
If you and I were meant to be  
Tell me you love me and I'll be your only

Teardrops will fall don't run and hide  
Teardrops will fall stay by my side  
I want you so, oh you'll never know  
How much I need you

As long as there's a moon above  
There will be the two of us  
If you and I were meant to be  
Tell me you love me and I'll be your only

Teardrops will fall don't run and hide  
Teardrops will fall stay by my side  
I want you so, oh you'll never know  
How much I need you

Teardrops (will fall), oh teardrops (will fall)  
Oh yeah, teardrops (will fall), teardrops (will fall)  
Teardrops, teardrops (will fall), teardrops (will fall)
