

# That Is Rock And Roll

Shakin' Stevens

In the beginning there was nothing but rock  
Then somebody invented the wheel  
And finally just began to roll

Did you ever hear the tenor sax  
Swingin' like a rusty axe  
Honkin' like a frog, down in a hollow log  
Baby, that is rock and roll

Did you ever hear a guitar twang  
Jingy - jingy - jingy - jang  
Ever hear those strings doin' crazy things  
Baby, that is rock and roll

That ain't no freight train that you hear  
Rollin' down the railroad tracks  
That's a country boy's piano band  
Playin' in between the cracks

You say that music's for the birds  
And you can't understand the words  
Well, honey, if you did, you really blow your lid  
'Cause baby, that is rock and roll

In the morning, in the evening
