Tired Of Toein' The Line

Shakin' Stevens

Baby I'm
Tired of toein' the line
Don't know why you wanna jump on me
Baby, baby, baby
It's makin' me cry

Baby I
I'm gonna find myself someone new
Someone who will be true
I'm no more toein' the line

I know it's over, but
I see the signs
Don't let me waste your precious time

Baby I'm
Tired of toein' the line
If you want to get rid of me
Baby, baby, baby
You're doin' fine

Baby I'm
Tired of toein' the line
I'm gonna put on my walkin' shoes
And leave you far behind

You're rollin' over
And over so divine
But you can't fix this
Broken heart of mine

Baby I'm
Tired of toein' the line
Don't know why you wanna jump on me
Baby, baby, baby
It's makin' me cry

Baby I'm
Tired of toein' the line
Don't know why you wanna jump on me
Baby, baby, baby
It's makin' me cry

Baby I'm
Tired of toein' the line
Baby I'm
Tired of toein' the line
Baby I'm
Tired of toein' the line
Baby I'm
Tired of toein' the line
Baby I'm
Tired of toein' the line
Baby I'm
Tired of toein' the line
Baby I'm
Tired of toein' the line
