

# Yes I Do

Shakin' Stevens

Is it yes or is it no  
What's a man suppose to do  
Tell me no I don't or yes I do

Do I cry much (yes I do)  
Long for your touch (yes I do)  
Do I trust you or feel blue  
No I don't and Yes I do

Should I leave you (yes I should)  
Or decieve you (yes I could)  
Do I cheat or see it through  
No I don't and yes I do

Oh I don't know what I say  
Guess I do hurt more each day  
Still I know that feeling blue  
Is better than being without you

Do I Like it (no I don't)  
Will I walk out (no I won't)  
Do I leave or still love you  
No I don't and yes I do

No I don't  
Yes I do  
No I don't  
Yes I do

Why'd you treat me bad this way  
Why do you hurt me more each day  
Still I know that feeling blue  
Is better than living without you

Do I Like it (no I don't)  
Will I walk out (no I won't)  
Do I leave or still love you  
No I don't and yes I do

Ohhh  
Do I cry much (yes I do)  
Long for your touch (yes I do)  
Do I leave or still love you  
No I don't and yes I do

Should I leave you (yes I should)  
Or decieve you (yes I could)  
Do I cheat or see it through  
No I don't and yes I do

No I don't and yes I do
