

# You Drive Me Crazy

Shakin' Stevens

You know, baby, when you're in my arms  
I can feel your loving magic charms  
You drive me crazy, you drive me crazy

And when I'm looking in those big blue eyes  
I start a'floating 'round in paradise  
You drive me crazy, you drive me crazy

Heaven must have sent you down  
Down for you to give me a thrill  
Ev'ry time you touch me, ev'ry time you hold me  
My heart starts speeding like a train on a track

I love you, baby, and it's plain to see  
I love you, honey, it was meant to be  
You drive me crazy, you drive me crazy, oh

Heaven must have sent you down  
Down for you to give me a thrill  
Ev'ry time you touch me, ev'ry time you hold me  
My heart starts speeding like a train on a track

I love you, baby, and it's plain to see  
I love you, honey, it was meant to be  
You drive me crazy, you drive me crazy

And when I'm looking in those big blue eyes  
I start a'floating 'round in paradise  
You drive me crazy, you drive me crazy  
You drive me crazy, you drive me crazy, oh
