

# You Never Talked About Me

Shakin' Stevens

I went down to the railroad station, honey  
I overheard a conversation, honey  
Yeah you we're talkin' to a guy named Jim  
And the things that you we're tellin' him

You talked and talked so endlessly  
Tears filled my eyes, I couldn't see  
'Cause you never talked about me, honey  
about me, honey

You talked about your past and future, honey  
About the kind of man you thought would suit you, honey  
And you told him what a man should do  
If he wants to be love by you

You talked and talked so endlessly  
Tears filled my eyes, I couldn't see  
'Cause you never talked about me, honey  
about me, honey

You told me there would be  
Anyone else for you  
You swore your love was true  
How could you do this to me  
Makin' me cry like that  
My heart could die like that

The stars come out by the railroad station, honey  
You carried on your conversation, honey  
And then he kissed you and I heard you sigh  
It was time for me to say goodbye  
You kissed and kissed so endlessly  
Tears fill my eyes, I couldn't see  
'Cause you never talked about me, honey  
About me, honey
