

# Animal City

Shakira

Why do all my friends now want to be your lovers?  
Your family got bigger when they thought you were rich  
And now like maniacs  
They scratch your back  
Even when it doesn't itch

I want to figure it all  
I want to figure it all out  
I want to save you from  
Save you from all that's vain  
Save you, from the things that cause us pain

Cause it's an animal city  
It's a cannibal world  
So be obedient, don't argue  
Some are ready to bite you

It's an animal city  
It's a cannibal world  
So be obedient, don't argue  
Some are ready to bite you  
My love

They believe you now have everything you wanted  
And once you have become a star you've got no right to bitch  
But someday when you fail  
They'll put you on sale  
And buy you by the inch

But you're the real deal  
And real is your middle name  
You know sometimes I feel  
We got to earn every breath we take, baby  
Never mind the rules we break

Cause it's an animal city  
It's a cannibal world  
So be obedient, don't argue  
Some are ready to bite you

It's an animal city  
It's a cannibal world  
So be obedient, don't argue  
Some are ready to rip you right off

With you I feel safe  
There's nothing to fear from us  
Away from the fangs, the fangs of the world  
I may be a coward, but you are brave  
And nothing seems so dangerous

Cause it's an animal city  
It's a cannibal world  
So be obedient, don't argue  
Some are ready to bite you

It's an animal city

It's a cannibal world  
So be obedient, don't argue  
Some are ready to rip you right off

Cannibal world  
Cannibal world  
Cannibal world  
Cannibal world

So be obedient, don't argue  
Some are ready to bite you my love
