Dreams For Plans

 Once upon a time you and I When we were green and easy Fresh as limes and happy as a Sunday sky There was nothing we could sell or buy ?Cause all we really needed Was our barefeet and a pair of wings to fly

What do you think, darling? Have we lived too much, too fast? And have you, have you felt the melancholy darling Wishing that time hadn't passed?

R: Can you tell me how it used to be? Have we missed our chance? Have we changed our hopes for fears And our dreams for plans?

Can you tell me how it used to be When we really cared? And when love was on our side On our side?

2. I remember all the times before When we could spend our evening Staring at the ceiling, lying on the floor My vocabulary wasn't broad I spoke so little English And the word "stress" would sound like something odd

What do you think, darling? Have I lived too much, too fast? And have you,have you felt the melancholy, darling Wishing that time hadn't passed?

- R: Can you tell me how it used to be?...
- *: What is your guess, darling? Have I lived too much, too fast? So if you, if you ever come and find me crying Now you know, now you know why
- R: Can you tell me how it used to be?...
