

# Empire

Shakira

Take off all of your skin  
I'm brave when you're free  
Shake off all of your sins  
Then give them to me  
Closer let me back in  
I wanna be yours, wanna be your hero  
And my heart beats...

Like the empires of the world unite  
We are alive  
And the stars make love to the universe  
You're my wildfire every single night  
We are alive  
And the stars make love to the universe  
And you touch me  
And I'm like, and I'm like, and I'm like

Hoooooooooooo, hoooooooooooo  
And I'm like  
Hoooooooooooo, hoooooooooooo  
And I'm like  
Hoooooooooooo, hoooooooooooo  
And I'm like  
Hoooooooooooo

I will follow you down  
Wherever you go  
I am, baby, I'm bound to you  
And do you know?  
Closer, pull me in tight  
I wanna be yours, wanna be your hero  
And my heart beats...

Like the empires of the world unite  
We are alive  
And the stars make love to the universe  
You're my wildfire every single night  
We are alive  
And the stars make love to the universe  
And you touch me  
And I'm like, and I'm like, and I'm like

Hoooooooooooo, hoooooooooooo  
We are alive  
Hoooooooooooo, hoooooooooooo  
And I'm like  
Hoooooooooooo, hoooooooooooo  
We are alive

I'm just gonna raise my head  
Walk up to the final edge  
And I'm gonna fall  
(And the stars make love to the universe)  
I'm just gonna raise my head and hold you close

Like the empires of the world unite  
We are alive

And the stars make love to the universe  
You're my wildfire every single night  
We are alive  
And the stars make love to the universe  
And you touch me  
And I'm like, and I'm like, and I'm like

Hoooooooooo, hoooooooooo  
And I'm like  
Hoooooooooo, hoooooooooo  
And I'm like  
Hoooooooooo, hoooooooooo  
And I'm like  
Hoooooooooo
