

Eyes Like Yours (Ojos Así)

Shakira

Oh, you know I have seen
A sky without sun
A man with no nation

Saints, captive in chains
A song with no name
For lack of imagination
Ya he...
And I have seen
Darker than ebony
Ya he...
And now it seems, that I
Without your eyes could never be

My one desire, all I aspire
Is in your eyes forever to live
Traveled all over; the seven oceans
There is nothing that I wouldn't give
Came from Bahrein, got to Beirut
Looking for someone comparing to you
Tearing down windows and doors
And I could not find eyes like yours

Came from Bahrein, got to Beirut
Looking for someone comparing to you
Tearing down windows and doors
And I could not find eyes like yours

Oh, I have just seen
A woman of means
In rags and begging some for pleasure
Crossed a river of salt
Just after I rode
A ship that's sunk in the desert

Ya he...
And I have seen
Darker than ebony
Ya he...
And now it seems, that I
Without your eyes could never be

My one desire, all I aspire
Is in your eyes forever to live
Traveled all over; the seven oceans
There is nothing that I wouldn't give
Came from Bahrein, got to Beirut
Looking for someone comparing to you
Tearing down windows and doors
And I could not find eyes like yours

Came from Bahrein, got to Beirut
Looking for someone comparing to you
Tearing down windows and doors
And I could not find eyes like yours
