

Knock On My Door

Shakira

I'm gon' obey all your wishes
As if they were orders
I'm gonna die apart in kisses
While we're growing older
I'll be there to bid your fears
In all the 365 days a year
So this is what I say

Knock on my door
You know I'll be in town
Come ask for more
Don't let me down
What is self, what is not
What is left, what is gone
You know I'd give it up for you
Baby, you can consider it done
Knock on my door
You know I'll be in town
Come ask for more
Don't let me down
What is self, what is not
What is left, what is gone
I'm gonna give it up for you
Baby, you can consider it done

I'm gonna live all my Monday's
Like the sunniest Sundays
I'm gonna go through life every moment
Thinking of you always
Time again with bitter fears
There's only 365 days a year
So this is what I say

Knock on my door
You know I'll be in town
Come ask for more
Don't let me down
What is self, what is not
What is left, what is gone
You know I'd give it up for you
Baby, you can consider it done
Knock on my door
You know I'll be in town
Come ask for more
Don't let me down
What is self, what is not
What is left, what is gone
I'm gonna give it up for you
Baby, you can consider it done

You know I'll be in town
You know I'll be in town, own
Don't let me down, down
Don't, don't, don't, don't, don't
You know I'll be in town
You know I'll be in town
You know I'll be in town
