

# Poem To A Horse

Shakira

1. You're too far to bring you across  
Too high to see below  
Just hanging on your daily dose

And you never needed anyone  
But they're rolling papers for your grass  
How can you give what you don't have?

\*: You keep on aiming for the top  
And quit before you sweat a drop  
Feed your empty brain with your hydroponic pot  
You start out playing with yourself  
You get more fun within your shell  
Nice to meet you but I gotta go my way

R: I'll leave again 'cause I've been waiting in vain  
But you're so in love with yourself  
If I say my heart is sore  
Sounds like a cheap metaphor  
So I won't repeat it no more

2. I rather eat my soup with a fork  
Or drive a cab in New York  
'Cause to talk to you is harder work

So what's the point of wasting all my words  
If it's just the same or even worse  
Than reading poems to a horse

\*: You keep on aiming for the top  
And quit before you sweat a drop  
Feed your empty brain with your hydroponic pot  
I bet you'll find someone like you  
'Cause there's a foot for every shoe  
I wish you luck but I've other things to do

R: I'll leave again 'cause I've been waiting in vain...
